

SWEDEN

INTRODUCTION: In the southern parts of Sweden we can arrange a fantastic combination hunt where we both will have lots of action good trophies and staying in a old castle.

PERIOD: 16 Sept - 31 Dec

GROUPS: Prices are based on groups of 4-8 guns although arrangements can sometimes be offered for smaller or bigger numbers.

METHOD OF SHOOTING:

Pheasant is hunted as small classical English drives. 1 Oct - 31 Jan

Grey Legged Partridges will be hunted over pointing dogs and also walking with spaniels in the hedges. There will be 2-3 guns per doghandler. 16 Sept - 30 Nov

Ducks will be lifted in the water and its passing birds we are shooting at. 21 Aug - 31 Dec

Trophy hunting will be hunted as spot and stalk in the early morning and late afternoons.

Golf we have several famous golf courses only 30 minutes from the castle..

Sightseeing our turgid will take you to some historical places and old castles in the region and of course also visit the Viking museum.

AIRPORTS: The principle Airport used are.
Kastrup/Copenhagen International
Sturup / Malmö (private charter)

TROPHY HUNTING: In Sweden we have some of the best Roebucks in the world. We have several areas in the neighborhood all on free range. You can go to our normal areas where you will be hunting on set price but you can also upgrade to go to our VIP area for Roebucks where some of the biggest bucks in the world has been taken. Here you will be hunting on priceless where the price depends on the size of the trophy. We can also hunt Redstag, Fallowstag, Mouflon and Wildboar.

ACCOMMODATION: Is a experience by itself. Hunters will be staying exclusively at a old castle that is situated in fantastic calm, beautiful surroundings framed by a lake. There are 7 double rooms in the castle with 4 bathrooms, a charming whisky room that is the perfect place to have the whisky after the hunt. A big dining hall with a outdoor terrace. The meals that will be served are homemade with mainly products from the hunts.

AUG - OCT this is a very nice time of the year where the climate normal will be in the region of 18-8 degrees Celsius. There is of course a risk of rain so bringing rain cloth and rubber boots is a must.

NOV - DEC this is the winter time temp 5- 0 Celsius with the risk of rain and sometimes snow.

CLOTHING: A face mask and gloves should be taken to prevent the birds being put off by a shining bald pate. Rubber knee high boots should be worn and clothing should be of a drab color. Pullovers and waterproof jackets should also be part of your inventory. Visit www.prohunters.se and see what kind of clothing we recommend. If booked in advance we can arrange so that the hunters get it upon arrival.

DOCUMENTATION: we will require knowing the full names of the members of the group with address, date of birth and home telephone numbers. We will also need the serial number, make and the calibre of the shotguns, copy of a weapon license and 2 passport photos are also required..

NON HUNTER: For the non hunter this is the perfect package. Just staying on the castle is a experience by itself. To mentioned we are situated only 30 min away from Copenhagen, and there are lots of sightings in the neighbourhood.
