About the Hunting Area

Mozambique is situated in the South East of Africa. You will be rewarded with the sight of vast wilderness areas, unchanged from their past fame as Africa's greatest hunting lands. As our area has not been trophy hunted for 16 years prior to the hunting areas re-opening 7 years ago, the spectrum & quality of wildlife is quite remarkable. You will hunt in varied terrain; grass & palm savannahs, forest & swamp. Our concession; Area 11, is part of the Marromeu complex & is bordering the Mighty Zambezi River. It is approximately 2000 square kms. The area is located in the central part of Mozambique & near the coast.
